

Outings for 2015

From: Margaret Micklewright

Outings undertaken in 2014. We have had a very successful year as regards the outings I organise. Beginning with the visit to the Cat Sanctuary at Smarden, and finishing with a great tour of the Nuclear Power Station at Dungeness, we also had a Blue Guide tour of Rye, a conducted tour of St Pancras and King's Cross stations, going behind them to the new development behind the former, and spent a great day in Boulogne.

If there are any new members who would like to go on any of the proposed outings for 2015 and want further information, then please fill in the form below, which indicates some of the outings I hope to do in 2015. At present, I still have to finalise details of some. Also, should anyone know of places they consider we would like to visit, then please let me know.

Christmas Lunch – booked for January 14 at the excellent George Inn in Molash.

College of Arms – already booked for 17 March next year. At present, there are still a few places left, but I would appreciate those who put their names down earlier this year, confirming they still want to go, by filling in the form below. A comprehensive leaflet is still available on request. Briefly, the visit to the College of Arms starts at 6pm and ends at 9pm. The tour is conducted by Windsor Herald, when he first tells everyone about the 800 year old history of the College, then a buffet supper is laid on, and finally the tour finishes with a visit to the Record Room which holds Coats of Arms and Letters Patent going back to the 14th century. The College is the only organisation permitted to grant Coats of Arms on behalf of The Queen, despite there being several firms saying they are able to do this.
